

Kerista Palermo by Baires

Bodies released.

"(...) we are a community of people very funny and cheerful. (...)"

Tell us about you, what did you say in these pictures?

I'm Spanish, but I live in Buenos Aires (Recoleta), and I like both the system Kerista.org I offered to show me for more people as I know.

Do you think Buenos Aires as a free city?

Yes, you can smoke in the streets and seems to be allowed. You can also drink beer. We see that the people are very happy drinking, smoking and honking.

The guy who offered to pose with you today. Is your partner?

No, I met him just before going to a bar in Palermo and we like each other.

And you have a romantic expectation subsequent to the guy in the pictures?

That goes! I do not want any commitment, just have fun, but I would like to see him again.

Posing in public without wearing underwear turns me on?

Yes, and much. Is nevertheless the first time I do in my 26 years. Even more if it's for a good cause, and Kerista is a good cause.

You live in an apartment shared Kerista. ¿Not using underwear?

No, especially if it's hot. Sometimes I think I switched the heating on purpose!

Does everyone in Kerista have an open mind and an exhibitionist like yours?

Some more than others, but we are a community of people very funny and cheerful. Each individual with their own pace.

Kerista Palermo by BairesCuÃ©ntanos de tÃ¡, Â¿quÃ© quisiste expresar en estas fotos?

Soy espaÃ±ola, pero vivo en Buenos Aires, Recoleta, y me gusta tanto el sistema de Kerista.org que me ofrecÃ­a mostrarme para que mÃ¡s personas como yo lo conozcan.

Â¿Consideras Buenos Aires como una ciudad libre?

SÃ­, se puede fumar por las calles y parece que estÃ¡ permitido. TambiÃ©n se puede beber cerveza. Se ve que la gente es muy feliz bebiendo, fumando y tocando la bocina.

El chico que se ofreciÃ³ a posar contigo hoy. Â¿Es tu pareja?

No, lo conocÃ­ justo antes de entrar a un bar del barrio de Palermo y nos gustamos.

Â¿Y tienes alguna expectativa romÃ¡ntica a posteriori con el chico de las fotos?

Â¡Que va! No quiero ningÃºn compromiso, simplemente pasarla bien, pero me gustarÃ­a volverlo a ver.

Â¿Posar en pÃºblico y sin llevar ropa interior te excita?

SÃ­, y mucho. Es de todas maneras la primera vez que lo hago en mis 26 aÃ±os. AÃºn mÃ¡s si es por una buena causa, y Kerista es una buena causa.

Vives en un departamento compartido de Kerista. Â¿Tampoco usas ropa interior?

No, sobretodo si hace calor. Â¡A veces pienso que encienden la calefacciÃ³n a propÃ³sito!

Â¿Todas las personas de Kerista tienen una mentalidad abierta y exhibicionista como la tuya?

Algunas mÃ¡s y otras menos, pero somos una comunidad de gente muy divertida y alegre. Cada individuo con su propio ritmo.
